

Family Input in Small Groups

+

What is going well at SMS for your family?

Δ

What would you change or like to see?

What classes for parents would you participate in?

?

What questions do you have?

Directions: Families work in similar language groups. Each group gets a poster that looks like the template above. Interpreters can record parent responses, or parents can write in their first language and we can translate afterwards. Key is opening up discussion and participation.
