

Before Reading

I have read the questions that I need to answer.

Author

Who wrote it?

What is their connection to the time period?

Time Period

When was it written?

What do you already know about that time period?

Purpose

What kind of source is it?

How could this impact the content?

During Reading

I have answered the questions that I need to answer.

Break the source into smaller parts

Circle New Vocabulary

What new words were in the text?

Can you use context clues to find out their meaning?

Visualize

Draw a picture of something you read about? List three details from the source that are important to you.

After Reading

I have an understanding of this primary source.

Main Idea

What was the main idea of the primary source?

New Perspective

Does the information in this source support or contradict information that you have read about this topic?

How does this change your previous understanding?

Questions

What questions do you have about this document?
