### Other Factors Contributing to ELL Student Success:

- **Focus** on instruction building-wide (common language, collaborative work)
- Filter all **new initiatives through SIOP** (TPEP, Common Core, New Generation Science Standards, etc).
- ELL Specialist in **daily communication** with teachers regarding ELL students and instruction (work in classrooms, e-mails, check-ins, team meetings).
- **ELL Support Plans** used as communication tool from one grade level to the next.
- ELL Specialist assists with differentiation and “**models**” SIOP strategies to build capacity (create folders for electronic sharing).
- SIOP Bulletin Board in **staff work room** (providing resources/information to take)
- Continuous **formative assessment** as part of whole staff PD (gather feedback from staff on what is going well, areas of improvement, level of understanding, and interest). Use this to plan next steps.
- **PBIS** (Positive Behavior Intervention and Support)
- Strong **building leadership** dedicated to SIOP & PBIS systems and honoring teamwork and success.
